

Curriculum Overview	PE	Geography / History	PSHE	Music
<p data-bbox="62 212 374 280">Year 2 Term 6 Our Wonderful World</p> 	<p data-bbox="421 140 732 584">Our outdoor PE focus this term is Athletics. Here we will learn to use various takeoffs and landings, overarm and underarm throws and we will learn the difference between jogging and running. Our Indoor PE is continuing to learn gymnastic techniques. Our focus will be combining spinning, turning and twisting within a sequence.</p>	<p data-bbox="779 204 1346 552">We will be continuing our world theme in our final topic. We will recap the continents and oceans and discover the equator and the northern and southern hemispheres. From here we will look at how some of the physical features around the world have changed over the last 100 years and learn about the effects of Global Warming. We will make comparisons of the Rainforest and forests in England.</p>	<p data-bbox="1391 169 1809 587">This term's topic covers recognising safe and unsafe situations in unfamiliar environments such as water and fire risk. They will learn to recognise who can help to keep them safe. PSHE will also focus on change and how to manage things that may be out of their control. We will also be discussing transition into a new class year.</p>	<p data-bbox="1854 188 2175 568">We will perform simple patterns and accompaniments keeping a steady pulse. We will sing or clap with increasing or decreasing tempo and play simple rhythmic patterns on an instrument. Finally, we will make connections between notations and musical sounds.</p>
Art / DT	Computing	RE	Maths	
<p data-bbox="51 804 385 938">This term the children will learn to combine two pieces of material through sewing.</p>	<p data-bbox="409 769 741 973">We will be learning to Code in the ICT suite. We will build on our knowledge of an algorithm and use this to create a code.</p>	<p data-bbox="779 724 1093 1018">We will bring our learning together this term and discuss ways in which Christians, Muslims and Jewish people treat their sacred books and understand why people continue to share stories from these books.</p>	<p data-bbox="1137 740 2168 1005">This term we will tell the time to the hour, half past the hour, quarter past, quarter to and to five minute intervals. We will learn facts like the number of minutes in an hour and the number of hours in a day. We will also learn the value of different denominations of coins and notes And use symbols for pounds (£) and pence (p). From here we will find different combinations of coins that equal the same amounts of money. Finally, in a practical context, we will learn addition and subtraction of money of the same unit, including giving change.</p>	
English			Science	Termly School Value
<p data-bbox="51 1193 1099 1295">Our children will be inspired to write about our wonderful world. They will delve into the world of Colin, the plastic bag who travels the sea, will he ever find his home or real purpose? The children will be developing a fact page.</p> <p data-bbox="51 1299 1093 1433">The Tin forest allows children to explore how one man changes the world around him with recycled objects writing a story to entertain. Our final book is The Sky Garden and children will read how a child changes a derelict space through care and dedication, writing a diary covering their plans and thoughts.</p>			<p data-bbox="1126 1155 1809 1439">This term, we are learning about living things and their habitats. We will learn how to identify whether things are alive, dead or have never lived. We will learn how to identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other. Finally we learn how animals obtain their food from plants and other animals, using the idea of a simple food chain.</p>	 <p data-bbox="1910 1414 2112 1442">RESILIENCE</p>
